

Washing Net

Item #: 354010

PROBLEM : Laundering fine washables can be a challenge. Delicates and baby clothes require a gentle wash, but sometimes washing machines can be a bit too rough on clothes.

SOLUTION : The Washing Net is a versatile, effective and eco-friendly way to protect fine washables, including Norwex Microfiber. It lets soap and water flow through easily for optimal cleaning while its high-quality mesh protects delicates.

Description:

The durable Washing Net allows laundry detergent and water to flow through easily, protecting microfiber cloths, delicates and baby clothing in the washer and dryer. Its large size can accommodate several items at once, with lots of room for soap and water to circulate.

40cm x 30 cm / 15.75" x 11.81"

Key Features:

- Constructed of high-quality, non-snap, durable mesh fabric
- The mesh weave is just the right size to allow optimal water flow for effective cleaning.
- Large size accommodates Norwex Wet and Dry Mop Pads and holds several articles of clothing.
- Durable, non-rust zipper closure
- Handy tabs make it easy to hang in your closet.

Key Benefits:

- Ideal to protect delicates and baby clothing in the washer and/or dryer
- Great for storing dirty microfiber products or clothes until it's time to wash them
- Works well to keep those magically disappearing socks together
- Great for use in dryer to refresh clothes between washings, like sweaters or jeans
- Keeps clothes from attracting lint from other items such as towels
- Easy to pack and take along in your luggage to keep clean clothes separate from dirty ones

How to Use:

- Hang in laundry room or closet and fill with dirty clothes.
- To be most effective, fill about two-thirds full so clothes can move freely.
- Toss in washing machine when filled.

Demo Tips:

- Have guests gather around the kitchen sink and demonstrate how the water easily flows through the mesh.
- Place the Wet and Dry Mop Pads, plus several Kitchen and Bath Cloths in the bag to show how many items fit in the net.

Did You Know?

- A drawstring bag can work its way open, or become tangled with other laundry as well as your washing machine agitator.
- Laundering sweaters and other delicates on their own can cause friction and stretching, ultimately ruining your clothes.
